The East New York Farms! Project is a diverse group of gardeners, vendors, farmers and youth working together to strengthen our community through gardens, fresh food, and farmers markets. ENYF is a project of the United Community Centers, Inc.

The Youth Program Director will be responsible for managing all aspects of our intensive Youth Internship program serving 30+ youth from East New York, as well as other youth-related initiatives that are a part of ENYF. We are looking for a person who is committed to using youth development as a tool for both personal growth and social change, and who is excited to join a tight-knit organization and community that is leading the way towards food justice.

### Role and Responsibilities:

- Manage the East New York Compost Project by collecting food scraps from various collection stations on a weekly basis and conducting outreach for the project with the intent to expand our local operation.
- Manage the Wortman Avenue Community Garden by maintaining up-to-date garden member information, providing necessary resources, and upkeeping the garden space.
- Manage the East New York Healthy Soils Initiative which is a partnership between OER, CUNY Advanced Scientific Research Center, and East New York Farms! in order to educate the public about soil health and provide resources to remediate contaminated soil.
- Assist in other program areas when additional staffing is required by leading a youth crew as part of the East New York Farms! nine-month Internship Program by supporting the youth program at markets, on the UCC Youth Farm, and in workshops.
- Support overall program operations in our markets, farm sites, and gardens.
- Support staff with youth program supervision and maintaining program standards.
- Supervise a crew of youth interns at the farm, market and in neighborhood gardens.

### Qualifications

- At least 2 years of staff experience working in youth development (substantial experience as a youth participant with leadership roles will be considered).
- Committed to principles of racial, social, and economic justice.
- Able to work independently and manage multiple obligations.
- Comfortable working with groups of people of diverse ages and backgrounds.
- Comfortable working outside in all weather and capable of lifting 40 pounds.

### Desired Qualities

- Familiarity with East New York.
- Interest and experience in community work and food justice.
- Comfortable with Microsoft Office, cloud-based storage, and social media.
- Knowledge of Spanish or Bangla is helpful but not required.

### Benefits

- Generous vacation time, 401k plan, paid time off benefits, full medical and dental insurance, and sick leave. Salary: $42,000.
- To APPLY: Put your cover letter and resume into one PDF and email to jobs@eastnewyorkfarms.org with “ENY Compost Coordinator” in the subject line. We are aiming for a start as soon as possible.
